

Soihtu Housing

Soihtu is a reliable lessor in Jyväskylä – our apartments are more than just a roof and walls. Our housing locations are known for their excellent services and communality.

A furnished room in a shared apartment is an easy option for a shorter stay in Jyväskylä. Living in Kortepohja Student Village is made easy – water, electricity, district heating and a wifi are included in the rent. In addition, it is free to use the laundry rooms and the common sauna shifts almost every day. Also, multiple common rooms, such as a gym, are available every day in Rentukka building, which is the heart of the student village.

Find more information on the second page and on our website and fill in the application within requested time to make sure you will have an apartment for the summer.

Welcome to Jyväskylä!
